FITS:FITS!

THE ONLY REMEDY :- HART'S VEGETABLE EX I TRACT is an invaluable remedy for Epiteptic Fits or Falling Sickness, Convolsions, Spasins, &c. It is well known that from time immemorial, physicians have pronounced Epileptic fits incurable. It has baffled all their skill, and the boasted power of all medicine, and consequently thousands have suffered through a miserable existence, and at last yielded up their lives on the altar of insanity. Physicians of every age have pronounced this disease incurable. The proprietors of the vegetable extract, however, feel no delicacy in preclaring that it can be cured. They would, therefore, respectfully intimony which is here offered. If it is deception, let it be exposed; but if it is true, then in the name of humanity, no longer let it be said that Epilepsy is incurable.

Hart's Vegetable Extract, For sixteen years, has been tested by many persons who have suffered with this dreadful disease, and in every case where it has had a fair trial, has effected a permanent cure. Col. Denslow, of Yonkers, New York, states that his daughter has been afflicted with fits for more than nine years, and has been cured by the vegetable extract. Mrs. J. Bradley, 115, Orchard street, New York, states that she has been subjects to fits for many years, and has been restored to perfect health, after every other means had failed, by the use of the vegetable Dr. Charles A. Brown, of Dover, Russell county, Alabama, who is

one of the best physicians in the State, says that he has been much past he has been sorely afflicted with fits, and he is now happy to state that by a persevering use of Dr. Hart's Vegetable Extract for a few months, has restored him to sound health, being entirely free from that worst of all diseases.

It will Care! The child of William C. Anderson, North Fourth street, Williamsburgh, aged 10 months, had fits constantly for eight weeks. A consultation of physicians was called, who decided that the case was a Wayside Cross, by Capt. Milman hopeless one, and that the child must die. Whist the child was in this dangerous state, Mr. Anderson called at my office, which was in

the month of February last, and obtained a bottle of the extract with

the accompanying medicines, and administered it to the child, and the Orders for the Harper publications solicited, and furnished on short notice at the New York prices. Also, The son of Robert McGee, corner of Sultivan and Prince streets, New York, was severely afflicted with epileptic fits. In this case al so, the physicians held a consultation, and decided that they could do no more, and that nature must effect its own cure, or the box must die, The vegetable extract was administered to him whilst in a fit, and I was to'd by one of the attending physicians, as well as by Mr. McGee himself, that its effects were almost instantaneous. The fit was bro-I owning's cottage residences, Walton and Cotton's Angler, 1st ken and the boy restored to health. To Dr. S. Hart, New York. FITS OF 27 YEARS AND 6 MONTHS CURED BY THE USE OF THIS TRULY WONDERFUL MEDICINE. Read the following remarkable case of the son of William Secore, Esq. of Philadelphia, afflicted with epileptic fits 27 years and 6 months After travelling through England, Scotland, Germany and France, consulting the most enument physicians, and expending for medicine, nedical treatment and advice, three thousand dollars, returned with his son to this country, in November last, without receiving any benefit whatever, and was cured by using Hart's Vegetable Extract. Mr. Wm. Secore's letter to Drs. Ivans & Hart .- I have spent over three thousand dollars for medicine and medical attendance. I was advised to take a tout to Europe, which I did. I first visited England, I consulted the most eminent physicians there in respect to his case. They examined him and prescribed accordingly. I remained there three months without perceiving any change for the better, which cost me about two hundred and fifty dollars, pocketed by the physicians, and the most I received was their opinion that my son's case was hopeless and positively incurable. I accordingly left England, and travelled through Scotland, Germany and France, and returned home in the month of November last. I saw your advertisement in one of the ... York capers, and concluded to try Hart's Vegetable Extract, seeing your statements and certificates of so many cures, some of twenty and thirty years' standing, and I can assure you that I am not sorry I did so, as by the use of Hart's Vegetable Extract alone, he was restored to perfect health. His reason, which was so far gone as to unfit him for business is entirely restored, with the prospect now before him, of life, health and usefulness. He is now 28 years of age, and 27 years and 6 months of this time has been afflicted with this most dreadful of diseases; but thank God, he is now enjoying good health. Now, gentlemen, faith without works I don't believe in. We speak thus positive, because we have within the last few weeks seen quite a mumber of persons who have been cured by their remedy; one of which is a man of unquestionable veracity, who stated to us that he had been af-
